Questions concerning your application and academic status/ affiliation

Name, Surname:

Date:

- Have you already finished your Master's thesis and obtained a Master's degree? If yes, what degree and at which university? If no: when do you expect to obtain your degree and what kind of degree will it be?

- Are you already enrolled in a UZH PhD program/ doctoral subject/ general doctorate? If so, since when? Which one? In which faculty? Who is your supervisor?

- Are you already employed as a PhD or Teaching & Research Assistant at UZH? If so, since when?

- Is an application for a PhD program at UZH pending?

In case you apply for a scholarship*

- Would you also participate in the program if you would not obtain the scholarship?

- Do you need the full scholarship for a maximum of 4 years or only for a part-time? In case you only need a part-time scholarship, which other source finances the rest?

*Please note that the employment rate of doctoral students is now 80% as of 1.1.2024. Employment levels for PhD positions can be up to 100%, with corresponding adjustments made to the salary. Any additional salary costs are covered by the responsible unit (e.g. institute, department, chair, or clinic).
